Dear Mr. Al-Jarwan:

On behalf of the American University of Sharjah (AUS) and its wide network of alumni, we would like to invite you to serve as a keynote speaker in the Energy Panel entitled "How will the Future be fuelled?" at the upcoming AUS Business Forum.

The Forum will bring together industry leaders from across the spectrum along with students, alumni, business executives, dignitaries and honored guests. Panels of prominent keynote speakers such as yourself, should you accept this invitation, will discuss various topics in the areas of business, energy, women & leadership, and family business & entrepreneurship, producing an informative and dynamic exchange of views. The Forum will also be an excellent venue for business development by virtue of the networking possibilities, and it will be followed by a luncheon in honor of our guests.

The Business Forum will be held on **Monday March 12, 2012**, under the auspices of His Highness Sheikh Dr. Sultan Bin Mohammed Al Qassimi, Supreme Council Member, Ruler of Sharjah and President of American University of Sharjah.

We look forward to hearing from you, and we sincerely hope to have the opportunity to welcome you to this significant event. Please RSVP to conferencelounge@aus.edu at your earliest convenience.

Sincerely,
